

A NEW DIMENSION OF HOSPITALITY

Status: March 2019

STEIGENBERGER HOTELS & RESORTS

Inspired by their surrounding culture and landscape, each Steigenberger Hotel exudes an irresistible charm, making every stay a unique experience. Steigenberger Hotels & Resorts are not just a place, but a home for guests with the highest expectations. In line with the group's tradition, Steigenberger Hotels & Resorts always find new, contemporary ways to exceed their guests' expectations to hospitality and service. Our guests can choose between historical, traditional hotels and lively city residences as well as first-class wellness oases.

MAXX BY STEIGENBERGER

MAXX by Steigenberger is a new Deutsche Hospitality brand in the upscale segment. The brand is charismatic, creative and focuses on the essentials. MAXX greets guests with the MAXX Welcome and is appreciated for its comfortable beds, lavish Steigenberger breakfast and friendly staff. MAXX offers a feel-good atmosphere and many amenities such as towels at the MAXX Fitness Point or flexible workstations in the MAXX Creative Corner.

JAZ IN THE CITY

This exciting new hotel concept features a young urban vibe and pulses with the sounds of the city. Spontaneous gigs in the lobby turn the hotel into a stage, making your stay an event. And Jaz in the City offers much more: Sleek, modern room designs, perfect service and the latest trends in local food and drinks. The concept is rounded off by state-of-the-art technology such as checking in and out and opening the door to your room using a smartphone app.

INTERCITYHOTEL

IntercityHotel first and foremost stands for flexibility. The brand's more than 40 hotels are centrally located in the most beautiful cities of Germany and other international destinations. The modern city hotels guarantee upper middle-class comfort, only a few minutes' walk from transport hubs such as train stations or airports. A particular advantage: The FreeCityTicket enables hotel guests to use public transport free of charge.

ZLEEP HOTEL

Zleep Hotels, a successful Danish brand, is the perfect addition to Deutsche Hospitality's portfolio and has been offering quality, service and design at affordable prices since 2003. Comfort comes first: a comfortable bed with cosy bed linens for a good night's rest, free high-speed WiFi, TV and a high-end shower round off the brand's feel-good concept. Biological products and resource-saving concepts support the holistic approach.
